

**WORKSHEET N°3: STEREOTYPES!**

Continuando con los estereotipos, esta vez deberás crear tu propio poster. Para ello, puedes seguir los modelos que aparecen en esta guía. Tu eliges tamaño, forma y colores. Contacte conmigo si necesitas ayuda con el mensaje en Ingles.

**1 ITEM: CREATE YOUR OWN PERSONAL POSTER!**

Time to be creative! Use one or more pictures of you, think about one stereotype you are against to or one you have been victim of, and write it down. Use as much **colors, shapes, and words** as you wish!

- You decide on the size of your poster.
- You decide if it will be a digital o physical poster.
- We decide if we will create an Instagram account to post your posters or just will be sent to me.
